

GILLS CREEK WATERSHED ASSOCIATION

Restore. Educate. Advocate.

THANK YOU!

Thank you for all of your support during Midlands Gives this past Tuesday! If we could hug you we would! Because of your support and that of our very generous donor, we had a record breaking year, raising over \$8,000. And, we were the winner of Dominion Light the Way \$2000 drawing in the environmental category. Thank you Dominion! We have always said that our members are the heart of our organization and on Tuesday you proved that with your help we

can do big things!

Join us Tuesday, May 12th at 12:30 to learn about Runoff and Rain Gardens

GCWA is putting on its first webinar series! Join Gills Creek Watershed Association and our conservation partners for Conversations with Conservationists, a webinar series,

Tuesday May 12th at 12:30. This episode focuses on runoff and rain gardens and how you can use your yard to help improve water quality. Betsy Kaemmerlen, a landscape architect with Grimball-Cotterill, will be our main presenter, as well as our own Valerie Marcil, GCWA board member and Master Gardener.

We hope you can join us for this casual meetup on Zoom. You can register here:
