

**GILLS CREEK WATERSHED
ASSOCIATION**

March 5, 2021

ADDENDUM NO. 1

QUESTIONS AND ANSWERS

Gills Creek Stream and Water Quality Improvement Project

IFB No. 20211

TO: ALL POTENTIAL BIDDERS

QUESTION 1: Which section of Gills Creek does this scope of work cover? / Is there a specific address or location for the work site?

RESPONSE: This scope of work covers the section along Gills Creek bounded by Fort Jackson Boulevard to the north, Crowson Road to the west, and Devine Street to the south. The Site is located within the City of Columbia at approximate latitude 33.990774° N and approximate longitude -80.973990° W. *(top of page 11, GCWA Invitation for Bids)* The project site is located near 4400 Fort Jackson Blvd, Columbia, SC 29209. *(page 1, GCWA Invitation for Bids)*

QUESTION 2: Have an estimated start date and completion date been established?

RESPONSE: The time of completion for the project is 60 calendar days from the Construction Start Date (CSD), as established in the Notice to Proceed letter. *(page 6 and page 18, GCWA Invitation for Bids)* As this project must adhere to the grant funding schedule, the anticipated construction window is between mid-April to mid-June, with a required substantial completion by June 29, 2021.

QUESTION 3: Do you have a plan holders list?

RESPONSE: A plan holders list will be provided electronically to all plan holders following the deadline for questions on March 18, 2021.

****Bidders to acknowledge this addendum as Addendum No. 1, March 5, 2021 on their submitted bid form, Page 13 of the RFP.**
